WINGSING

FISHING TACKLE FACTORY

To Create Some Magic.....

INTRODUCTION

Established in 2006, we are a manufacturing factory which produces various fishing lures, hard plastic lures, minnow, crank baits, spinner baits, buzz baits, metal jigs, rubber jigs, swim baits, jig hooks, soft baits, trolling lures, wooden lures, and so on. Continuously exploring new products, we are steadily improving product quality with more efforts to ensure that our products are popular with customers in the market.

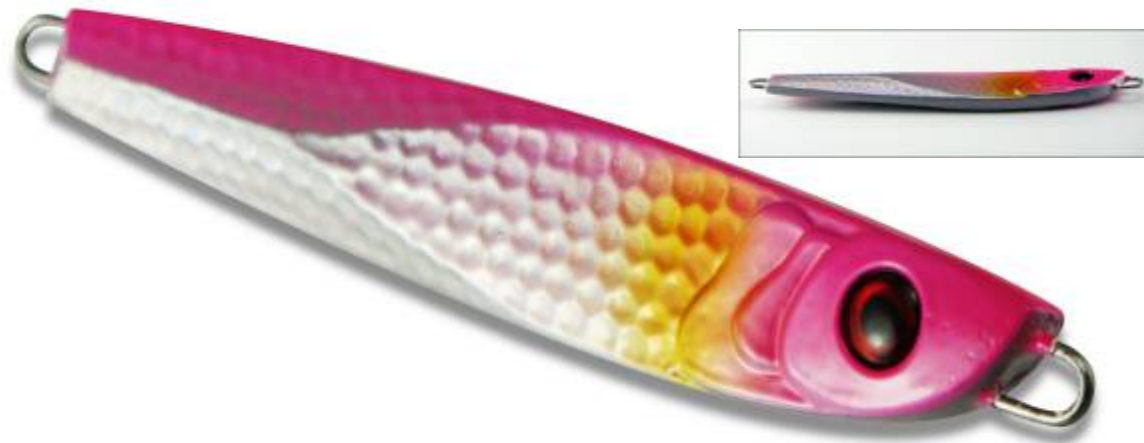

We've made an investment in sample making and production solution improving. These investments combined with environment protective materials and professional mechanical equipment will ensure the best quality fishing tackles available for your market.

Moreover, we have an R&D team which can customize any fishing lure as per your requirements from molding step. Don't hesitate to contact us.

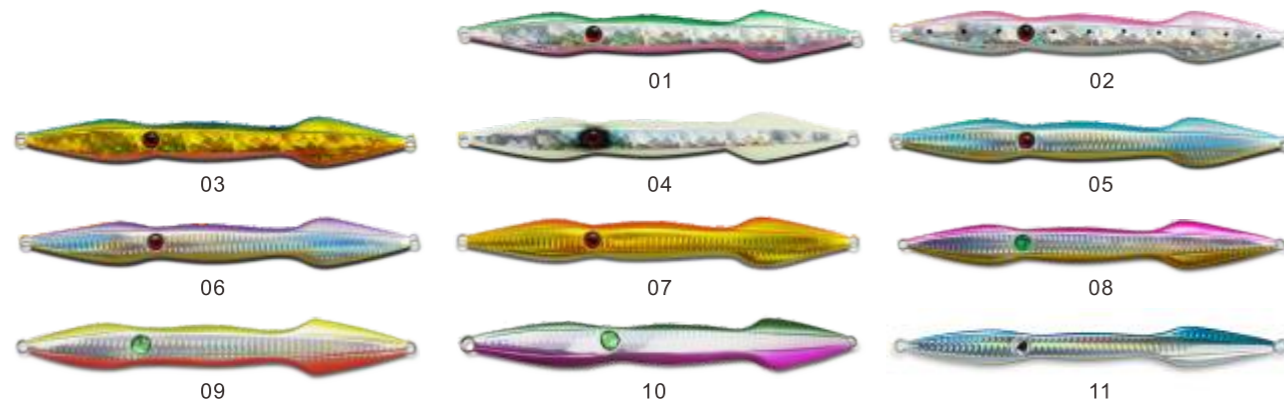

We sincerely hope that we can cooperate with our customers and gain mutual benefit. With sincere services, high quality products and reasonable prices, we would like to develop with all of our customers!
